COMPANY OVERVIEW

Wallis Consulting LLC is a Service-Disabled Veteran-Owned Small Business (SDVOSB) and a strategy-led consultancy for complex, mission-driven organizations. Its work spans setting strategy, modernizing mission-critical systems, governing AI responsibly, and building the workforce capability to sustain both — grounded in over a decade of public service and program leadership. Every engagement is scoped, performed, and delivered by the Principal, and anchored to recognized standards including the NIST AI Risk Management Framework and ISO/IEC 42001.
